

INSTRUCTION FOR CD SUBMISSION

STUDENTS:

Print only your name and the county where you attend school on your CD recording.

Begin your CD by stating your name and the name of the county in which you attend high school. Please be sure to pronounce your name clearly for the benefit of the judges.

Your first song will be The Star Spangled Banner sung a capella. Musical accompaniment of any kind will disqualify you as a contestant.

Your second selection may be any song of your own choosing. You may have a backup track or live instrumental accompaniment. The instrument may be played by an accompanist or by yourself. Please limit the song length to no more than 2 ½ minutes.

RTA's screening judges will evaluate your presentation utilizing the scoring form presented on this website. Callbacks will be based upon the ranking of your total score relative to the scores of all other contestants. Should you be selected for a callback, you will be advised of this request with follow-up instructions by email during October, 2007.

Be sure to listen carefully to your recording before submission! The song of your choice should reflect your capabilities in their strongest light. Remember, you only get this one chance to progress to the callback level.

Congratulations for entering this competition and good luck!
